RESPONSIBILITIES

To implement the Committee's purpose and policies, the Committee shall be charged with the following duties and responsibilities. The Committee may supplement and, except as otherwise required by applicable law or regulatory requirements, deviate from these activities as appropriate under the circumstances:

- 1. Director Nominations.** Except where the Company is legally required by contract or otherwise to provide third parties with the ability to nominate directors, the Committee shall identify, review and evaluate candidates to serve on the Board, including consideration of any potential conflicts of interest as well as applicable independence and experience requirements. The Committee shall also review, evaluate and consider the nomination of incumbent directors for re-election to the Board, and monitor the size of the Board. The Committee shall recommend to the Board candidates for election by the Board or as nominees for election by the shareholders of the Company. In the event that a vacancy on the Board arises, the Committee will seek and

identify a qualified director nominee to be recommended to the Board for either appointment by the Board to serve the remainder of the term of the director position that is vacant or election at the next annual meeting of shareholders.

2 *Shareholder Proposals.* The Committee shall have the power and authority to consider recommendations for Board nominees and proposals submitted by the Company's shareholders and to establish any policies, requirements, criteria and procedures, including policies and procedures to facilitate shareholder communications with the Board, to recommend to the Board appropriate action on any such recommendation or proposal and to make any disclosures required by applicable law in the course of exercising its authority. The Committee will treat recommendations for directors that are received from the Company's shareholders equally with recommendations received from any other source; provided, however, that in order for such shareholder recommendations to be considered, the recommendations must comply with the procedures outlined in the Company's proxy statement for its annual meeting of shareholders.

3 *Board Assessment.* The Committee shall review at least annually, discuss and assess the performance of the Board, including Board committees, seeking input from senior management, the full Board and others. The assessment shall include evaluation of the Board's contribution as a whole and effectiveness in serving the best interests of the Company and its shareholders, specific areas in which the Board and/or management believe contributions could be improved, and overall Board composition and makeup, including the re-election of current Board members. The factors to be considered shall include whether the directors, both individually and collectively, can and do provide the integrity, experience, judgment, commitment, skills and expertise appropriate for the Company. The Committee shall also consider and assess the independence of directors, including whether a majority of the Board continues to be independent from management in both fact and appearance, as well as within the meaning prescribed by the TSXV. The results of these reviews shall be provided to the Board for further discussion as appropriate.

4 *Board Committee Recommendations.* The Committee, after due consideration of the interests, independence and experience of the individual directors and the independence and experience requirements of the TSXV and the rules and regulations of applicable law, shall recommend to the Board annually the chair and membership of each committee.

5 *Director Independence.* The Committee shall review the relationships between the Company and each director and report the results of its review to the Board, which will then determine which directors satisfy the applicable independence standards within the meaning prescribed by the TSXV and shall determine whether or not each director serving on a Board committee is independent, disinterested, a non-employee director or an outside director under the standards applicable to the committees on which such director is serving or may serve and report the results of its review to the Board, which will then determine which directors, if any, qualify as independent, disinterested, non-employee or outside directors under applicable standards.

6 *Continuing Education.* The Committee shall consider instituting a plan or program for the continuing education of directors.

7. *Corporate Governance Guidelines.* The Committee shall develop a set of corporate governance guidelines to be applicable to the Company, shall periodically review and assess these guidelines and their application, and recommend any changes deemed appropriate to the Board for its consideration. Further, the Committee shall review annually the Company's Code of Business Conduct and Ethics and review other Company policy statements to determine their adherence to the Company's Code of Business Conduct and Ethics.

8. *Management Succession.* The Committee shall periodically review with the Chief Executive Officer the plans for succession to the offices of the Company's executive officers and make recommendations to the Board with respect to the selection of appropriate individuals to succeed to these positions.

9. *Insurance Coverage.* The Committee shall review and make recommendations to the Board regarding the appropriate insurance coverage for the Company's directors and executive officers.

10. *Assessment.* The Committee shall review, discuss and assess its own performance at least annually. The Committee shall also periodically review and assess the adequacy of this charter, including the Committee's role and responsibilities as outlined in this Charter, and shall recommend any proposed changes to the Board for its consideration.

* * *

While the Committee members have the duties and responsibilities set forth in this Charter, nothing contained in this Charter is intended to create, or should be construed as creating, any responsibility or liability of the Committee members, except to the extent otherwise provided under applicable federal or provincial law.
