PART I – GENERAL PROXY-RELATED INFORMATION

ALL SHAREHOLDERS ARE STRONGLY ENCOURAGED TO VOTE PRIOR TO THE MEETING BY ANY OF THE MEANS DESCRIBED IN THIS INFORMATION CIRCULAR.

Solicitation of Proxies

This Information Circular is furnished to Shareholders in connection with the solicitation of proxies by or on behalf of the management of the Corporation for use at the Meeting to be held at the offices of Gowling WLG (Canada) LLP located at Suite 1600, 421 7th Avenue SW, Calgary, Alberta T2P 4K9 on September 20, 2023 at 10:00 a.m. (Calgary time) for the purposes set forth in the Notice of Meeting.. It is expected that such solicitation will be primarily by mail but may also be made by telephone or other electronic means of communication or in person by the directors and officers of the Corporation. The cost of such solicitation will be borne by the Corporation. The information contained in this Information Circular is given as of August 8, 2023, except where otherwise indicated.

Appointment of Proxy

The individuals named in the accompanying form of proxy are directors and/or officers of the Corporation. A Shareholder wishing to appoint some other person or company (who need not be a Shareholder) to represent the Shareholder at the meeting has the right to do so, either by inserting such person's name in the blank space provided in the form of proxy or by completing another form of proxy and, in either case, delivering the completed proxy to the Transfer Agent, at Computershare Trust Company of Canada either (i) by mail at 8th Floor, 100 University Ave, Toronto, ON M5J 2Y1; (ii) completed online at www.investorvote.com; or (iii) completed via telephone by calling 1-866-732-VOTE (8683), not later than 10:00 a.m. (Calgary time) on September 18, 2023 and not later than 48 hours (excluding Saturdays, Sundays and holidays) prior to any adjournment(s) of the Meeting. Such a Shareholder should notify the nominee of the appointment, obtain the nominee's consent to act as proxy and instruct the nominee on how the Shareholder's shares are to be voted. In any case, the form of proxy should be dated and executed by the Shareholder or the Shareholder's attorney authorized in writing, or if the Shareholder is a corporation, under its corporate seal, or by an officer or attorney thereof duly authorized.

Notice and access is being used to deliver this Information Circular and other meeting-related materials, including the Corporation's audited consolidated financial statements for the fiscal year ended December 31, 2022, together with the auditor's report therein and related management's discussion and analysis (collectively, the "**Materials**"), to both registered Shareholders and Beneficial Shareholders. This means that the Materials will be posted online for Shareholders to access electronically. You will receive a package in the mail with a notice outlining the matters to be addressed at the Meeting, explaining how to access and review the Materials electronically, and how to request a paper copy at no charge. You will also receive a form of proxy or a voting instruction form in the mail, so you can vote your Common Shares. Such notice and a voting information form will be forwarded through Broadridge or broker, as applicable, to non-objecting beneficial owners at the Corporation's expense.

Management of the Corporation does not intend to pay for intermediaries to forward to objecting Beneficial Shareholders under NI 54-101 the proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*, and, in the case of an objecting Beneficial Shareholder, the objecting Beneficial Shareholder will not receive the materials unless the objecting Beneficial Shareholder's intermediary assumes the cost of delivery.

If you have any questions about our use of notice and access, please contact Computershare Investor Services Inc., toll-free in North America at 1-800-564-6253 or by email at service@computershare.com.

Revocability of Proxy

A Shareholder who has given a proxy has the power to revoke it. In addition to revocation in any other manner permitted by law, a proxy may be revoked by an instrument in writing signed by the Shareholder or by his or her attorney authorized in writing and either delivered to the Transfer Agent at the place specified above at any time up

to and including the last Business Day preceding the day of the Meeting or any adjournment(s) thereof or deposited with the chairman of the Meeting on the day of the Meeting prior to the commencement of the Meeting.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold shares in their own name. Beneficial Shareholders should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). In the United States of America, the majority of such shares are registered in the name of CEDE & Co., which company acts as a nominee for many brokerage firms.

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the form of proxy provided directly to registered Shareholders by the Corporation. However, its purpose is limited to instructing the registered Shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge in Canada. Broadridge typically prepares a machine-readable voting instruction form, mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction forms must be returned to Broadridge (or instructions respecting the voting of Common Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted. If you have any questions respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.**

Although a Beneficial Shareholder may not be recognized directly for the purposes of voting Common Shares registered in the name of his broker, a Beneficial Shareholder may be appointed as proxyholder for the registered shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to indirectly vote their Common Shares as proxyholder for the registered shareholder should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

Exercise of Discretion with Respect to Proxies

The Common Shares represented by proxy will be voted or withheld from voting on any motion, by ballot or otherwise, in accordance with any indicated instructions. In the absence of such direction, and you do not appoint a person other than management as your proxyholder, such shares will be voted FOR the resolutions referred to in items 2 through 6 of the Notice of Meeting.

If any amendment or variation to matters identified in the Notice of Meeting is proposed at the Meeting or any adjournment(s) or postponement thereof, or if any other matters properly come before the Meeting or any adjournment(s) or postponement thereof, the proxy form confers discretionary authority to vote on such amendments or variations or such other matters according to the best judgment of the appointed proxyholder. Unless otherwise stated, the Common Shares represented by the proxy will be voted in favour of the election of nominees set forth in this Information Circular except where a vacancy among such nominees occurs prior to the Meeting, in which case, such Common Shares may be voted in favour of another nominee in the proxyholder's discretion. As at the date of

this Information Circular, the management of the Corporation is not aware of any amendments or variations or other matters to come before the Meeting.

Signature on Proxies

The form of proxy must be executed by the Shareholder or his or her duly appointed attorney authorized in writing or, if the Shareholder is a corporation, by a duly authorized officer whose title must be indicated. A form of proxy signed by a person acting as attorney or in some other representative capacity should indicate that person's capacity (following that person's signature) and should be accompanied by the appropriate instrument evidencing qualification and authority to act (unless such instrument has been previously filed with the Corporation).

Interest of Certain Persons in Matters to be Acted Upon

No director or officer of the Corporation, nor any proposed nominee for election as a director of the Corporation, nor any Associate or Affiliate of any one of them, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting except as described in this Information Circular under "*Part II – Annual Meeting Business – Election of Directors*".

Voting Securities and Principal Holders of Voting Securities

As at the date of this Information Circular, there are 235,274,893 Common Shares currently issued and outstanding. Shareholders as of the Record Date are entitled to receive notice of and attend and vote at the Meeting.

Every Shareholder represented in person or by proxy (and entitled to vote) has one vote for each Common Share held. On a poll or ballot, every Shareholder present in person or by proxy has one vote for each Common Share held. All votes on matters described under the heading "Annual and Special Meeting Business" below will be conducted by way of ballot.

Only Shareholders whose names have been entered in the register of Shareholders at the close of business on the Record Date will be entitled to receive notice of and to vote at the Meeting. **To the extent a Shareholder transfers the ownership of any of its Common Shares after the Record Date and the transferee of those Common Shares establishes that it owns such Common Shares and requests, at least ten (10) days before the Meeting, that the transferee's name be included in the list of Shareholders entitled to vote at the Meeting, such transferee shall be entitled to vote such Common Shares at the Meeting.**

To the best of the knowledge of the directors and officers of the Corporation, no person other than Canacol beneficially owns, directly or indirectly, or exercises control or direction over 10% or more of the voting rights attached to all of the issued and outstanding Common Shares as at the date of this Information Circular. As of the date hereof, Canacol is the registered holder of 41,715,205 Common Shares (representing approximately 17.7% of the issued and outstanding Common Shares) and 18,357,602 Warrants.

At the Meeting, Shareholders will be asked to approve an ordinary resolution to approve the appointment of Ernst & Young LLP ("E&Y"), of Calgary, Alberta as independent auditors of the Corporation at a remuneration to be fixed by the Board of Directors and to hold such office until the next annual meeting of Shareholders. E&Y has served as the Corporation's auditors since October 31, 2022.

In accordance with Part 4.11 NI 51-102, the "Reporting Package", which includes the notice of change of auditor, letter from the former auditor and letter from the successor auditor, was filed with the necessary securities commissions on SEDAR (www.sedarplus.ca/landingpage/) on November 4, 2022, and copies of these documents are to this Information Circular as Appendix F.

Unless otherwise directed, it is the intention of the persons designated in the accompanying form of proxy to vote in favour of the ordinary resolution to approve E&Y as independent auditors of the Corporation and to authorize the Board of Directors to fix the remuneration paid to the auditors. In order to be effective, the ordinary resolution in respect of the appointment of the auditors of the Corporation and to fix their remuneration must be passed by not less than a majority of the votes cast by Shareholders who vote in respect of this ordinary resolution.

Item 5 — Approval of the Option Plan

On August 8, 2023, the Board approved an amended and restated option plan (the "**Option Plan**"), which remains subject to shareholder approval and TSXV approval. The Option Plan is identical to the option plan that was last

approved by the Shareholders on July 19, 2022, except for the addition of a Net Exercise Right (as defined below). The Net Exercise Right (as defined below) provides each Option holder, other than Investor Relations Service Providers (as such term is defined in TSXV Policy 4.4 – *Security Based Compensation*), when entitled to exercise an Option, to deal with such Option on a "net exercise basis" (the "**Net Exercise Right**"). The Board may determine in its discretion that such Net Exercise Right, if any, grants an Option holder the right to surrender such Option in whole or in part by notice in writing to the Corporation and in lieu of receiving Shares pursuant to the exercise of the Option, receive, that number of Shares, disregarding fractions, which is equal to the quotient obtained by:

- i. subtracting the exercise price of the Option from the VWAP of the Shares on the business day immediately prior to the exercise of the Net Exercise Right and multiplying the remainder by the number of shares to be purchased pursuant to the exercise of the Option; and
- ii. dividing the net amount obtained under (i) by the VWAP of the Shares on the business day immediately prior to the exercise of the Net Exercise Right.

A copy of the Option Plan is attached hereto as Appendix "E".

The Option Plan is a "rolling" share-based compensation plan pursuant to which up to an aggregate of 10% of the Common Shares outstanding may be reserved for issuance under the Option Plan and any other security-based compensation plans of the Corporation. Pursuant to the policies of the TSXV, "rolling" share-based compensation plans must receive shareholder approval annually. The Option Plan was last approved by the Shareholders on July 19, 2022.

The purpose of the Option Plan is to provide directors, officers, employees and consultants of the Corporation or its subsidiaries, or any other individual or body corporate who may be granted an Option (as defined below) pursuant to the requirements of the TSXV (the "**Participants**") with a Share related mechanism to attract, retain and motivate Eligible Participants (as defined in the Option Plan), to reward such of those persons by the grant of options under the Option Plan by the Board from time to time for their contributions toward the long term goals of the Corporation and to enable and encourage such persons to acquire Shares as long term investments. The material terms of the Option Plan are described below. The Option Plan is currently the Corporation's only securities-based compensation arrangement pursuant to which securities may be issued from treasury of the Corporation.

The maximum number of Shares issuable under the Option Plan at any time plus the number of Shares reserved for issue under all other security-based compensation plans, shall not exceed 10% of the number of Shares issued and outstanding as of each date Options are awarded, inclusive of all Shares presently reserved for issuance pursuant to previously granted stock options. Options that have been cancelled, surrendered (other than Options surrendered pursuant to the Net Exercise Right), forfeited or that have expired without being exercised in full shall continue to be issuable under the Option Plan.

Under the Option Plan, unless requisite disinterested Shareholder approval is obtained, the number of Shares that may be reserved for issue to any one person under Options or other security-based compensation arrangements granted in any 12-month period shall not exceed 5% of the outstanding Shares calculated as at the date of grant. The total number of Shares issuable pursuant to Options to any one Consultant shall not exceed 2% of the issued and outstanding Shares of the Corporation as at the date of grant. The maximum aggregate number of Shares issuable pursuant to all Options granted in any 12-month period to all Investor Relations Service Providers (as such term is defined in TSXV Policy 4.4 – *Security Based Compensation*) must not exceed 2% of the issued and outstanding Shares of the Corporation, calculated as at the date of grant. The Board is authorized to determine the price per Share and the number of Shares that may be allotted to Participant and all other terms and conditions of the Options, subject to the terms of the Option Plan and the rules of the TSXV. Notwithstanding the foregoing, the exercise price per Share shall not be less than the closing price of the Shares on the day preceding the date of grant, less any discount permitted by the TSXV, or such other price as may be required or permitted by the TSXV.

The maximum aggregate number of Shares issuable pursuant to Options granted (or any other security-based compensation granted or issued) to insiders of the Corporation (as a group) must not exceed 10% of the issued and outstanding Shares at any point in time, unless requisite disinterested shareholder approval is obtained. Furthermore,

the maximum aggregate number of Shares issuable pursuant to Options granted (or any other security-based compensation granted or issued) in any 12-month period to insiders of the Corporation (as a group) must not exceed 10% of the issued and outstanding Shares, calculated as at the date the Option is granted to any insider, unless requisite disinterested shareholder approval is obtained.

Options granted under the Option Plan may be exercisable for a period of up to 10 years and may vest at such times as determined by the Board at the time of grant, subject to acceleration in accordance with the terms of the Plan. Notwithstanding the foregoing, in the event the expiration date for an Option occurs during a Blackout Period (as defined in the Plan), the expiration date for such Option shall be the date that is the tenth business day after the expiry date of the Blackout Period. The exercise price must be paid in full on any exercise of Options.

Further, if an Option holder ceases to hold their position with the Corporation for any reason other than death, their Options may be exercised within the earlier of the expiry date and a period of up to 90 days following the date the Option holder ceases to be in that role, but only to the extent the Option holder was entitled to exercise the Option at the date of such cessation. In the event of death of an Option holder, their Options may be exercised within the earlier of the expiry date and a period of time not exceeding 12 months, and only to the extent the Option holder was entitled to exercise the Options at the date of death. Options granted pursuant to the Option Plan may not be transferred or assigned.

The Option Plan provides that in the event of a change of control the Board of Directors may determine the manner in which all unexercised Options granted under the Option Plan will be treated, including requiring the acceleration (conditionally or otherwise) of the time for the exercise of such stock options by the holder thereof and of the time for the fulfillment of any conditions or restrictions on such exercise, subject to the certain rights provided to holders set forth in the Option Plan. If the Board of Directors elects to accelerate (conditionally or otherwise) the vesting of any or all outstanding stock options immediately prior to the completion of a change of control transaction, it may also determine that all such outstanding stock options will be purchased by the Corporation or a related entity for an amount per option equal to the transaction price, less the applicable exercise price (except that where the exercise price exceeds the transaction price, the amount per stock option for such stock options will be \$0.01), as of the date such transaction is determined to have occurred or as of such other date prior to the transaction closing date as the Board of Directors may determine. For the purposes of the Option Plan, "transaction price" means the fair market value of a share based on the consideration payable in the applicable transaction as determined by the Board of Directors.

A "change of control" is defined in the Option Plan to include: (i) the acquisition by any persons acting jointly or in concert (as determined by the *Securities Act* (Alberta) (the "**Securities Act**")), whether directly or indirectly, of Common Shares that, together with all other Common Shares held by such persons, constitute in the aggregate more than 50% of all outstanding voting securities of the Corporation; (ii) an amalgamation, arrangement or other form of business combination of the Corporation with another corporation that results in the holders of voting securities of that other corporation holding, in the aggregate, more than 50% of all outstanding voting securities of the corporation resulting from the business combination; (iii) the sale, lease or exchange of all or substantially all of the property of the Corporation to another person, other than in the ordinary course of business of the Corporation or to a related entity; or (iv) any other transaction that is deemed to be a "change of control" for the purposes of the Option Plan by the Board of Directors in its sole discretion.

Under the Option Plan, if an "Offer" (as defined below) is made which, if successful, would result in a change of control, then all unexercised and unvested outstanding Options shall immediately vest and become exercisable by the stock option holders, notwithstanding any other vesting provisions in the Option Plan or in an option agreement, as to all or any of the Common Shares in respect of which such options have not previously been exercised, but such Common Shares may only be purchased for tender pursuant to such Offer. If for any reason such Common Shares are not taken up and paid for by the offeror pursuant to the Offer, any such Common Shares so purchased by a stock option holder shall be deemed to be cancelled and returned to the treasury of the Corporation, shall be added back to the number of Common Shares remaining available under the Option Plan and, upon presentation to the Corporation of share certificates representing such shares properly endorsed for transfer back to the Corporation, the Corporation shall refund to the stock option holder all consideration paid for such shares and, in such event, the stock option holder shall thereafter continue to hold the same number of unexercised and unvested outstanding stock options on the same terms and conditions, including the exercise price thereof, as were applicable thereto immediately prior to the time the

subject Offer was made. For the purposes of the Option Plan, "Offer" means an offer made generally to the holders of Common Shares in one or more jurisdictions to acquire, directly or indirectly, Common Shares and which is in the nature of a "takeover bid" as defined in the Securities Act and where the Common Shares are listed and posted for trading on a stock exchange and are not exempt from the formal bid requirements of the Securities Act.

The Shareholders of the Corporation will be asked to consider and if thought fit, approve an ordinary resolution reapproving the Option Plan. The text of the ordinary resolution which management intends to place before the Meeting for approval, confirmation and adoption, with or without modification, is as follows:

"BE IT RESOLVED as an ordinary resolution of the Corporation that:

1. The stock option plan (the "**Plan**") of Arrow Energy Corp. (the "**Corporation**"), substantially in the form attached as Appendix "E" to the management information circular of the Corporation dated August 8, 2023 be and is hereby approved, ratified and confirmed.
2. The form of the Plan may be amended in order to satisfy the requirements or requests of any regulatory authorities, including the TSX Venture Exchange or at the discretion of the board of directors of the Corporation (the "**Board**") acting in the best interests of the Corporation without requiring further approval of the shareholders of the Corporation.
3. All issued and outstanding stock options previously granted, including stock options previously granted pursuant to previous stock option plans, be and are continued and are hereby ratified, confirmed and approved.
4. The Board (or any duly authorized committee of the Board) from time to time is authorized to grant options in the capital stock of the Corporation pursuant to and in accordance with the Plan and the Corporation is authorized to reserve and issue Common Shares in the capital of the Corporation for issuance upon exercise of awards granted pursuant to the Plan.
5. The shareholders of the Corporation hereby expressly authorize the Board to revoke this resolution before it is acted upon without requiring further approval of the Shareholders in that regard.
6. Any one (or more) director(s) or officer(s) of the Corporation be and is hereby authorized and directed, on behalf of the Corporation, to take all necessary steps and proceedings and to execute, deliver and file any and all documents (whether under corporate seal of the Corporation or otherwise) that may be necessary or desirable to give effect to this resolution."

Recommendation of the Board of Directors

The Board of Directors has unanimously determined that approval of the foregoing resolution is in the best interests of the Corporation and unanimously recommends that Shareholders vote in favour of the foregoing resolution at the Meeting. **Unless otherwise directed, it is the intention of the persons designated in the accompanying form of proxy to vote in favour of the foregoing resolution.** In order to be effective, the foregoing resolution must be passed by not less than a majority of the votes cast by Shareholders who vote in respect of this ordinary resolution.

Item 6 – Approval of Option Grants to Independent Directors

Following the admission to listing of the Corporation's Common Shares on AIM, the Board was advised by its Nomad at that time (being Arden Partners) and other advisors that, under relevant UK Corporate Governance Guidelines, in order for directors to be considered an "independent director" it is necessary to consult with shareholders and their support obtained prior to granting options to relevant director. As such, the Corporation is seeking shareholder approval to grant Options on an ongoing basis to its independent directors pursuant to the terms and conditions of the Option Plan and within all limits set out therein and pursuant to all terms and conditions required by TSXV policies and AIM Rules.

Accordingly, at the Meeting, Shareholders will be asked to approve an ordinary resolution authorizing the Corporation to grant options to its independent directors on an ongoing basis pursuant to the terms and conditions of the Option Plan and within all limits set out therein and pursuant to all terms and conditions required by TSXV policies and AIM Rules (the "**Option Grant Resolution**"). The Option Grant Resolution must be passed by a majority of the vote cast by Shareholders who vote in respect of the Option Grant Resolution.

The full text of the Option Grant Resolution is as follows:

"BE IT RESOLVED as on ordinary resolution of the Corporation THAT:

1. The Corporation be and is hereby authorized to grant options to its independent directors on an ongoing basis pursuant to the terms and conditions of the Option Plan and within all limits set out therein and pursuant to all terms and conditions required by TSX Venture Exchange policies and AIM Rules for Companies.
2. Any one director or officer of the Corporation is hereby authorized and directed to do all acts and things, to execute and deliver all agreements, documents and instruments, to give all notices and to deliver, file and distribute all documents and information which such person determines to be necessary or desirable to give effect to the intent of these resolutions.
3. The foregoing resolution shall remain in full force and effect until revoked by the Shareholders."

Recommendation of the Board of Directors

The Board of Directors has unanimously determined that approval of the Option Grant Resolution is in the best interests of the Corporation and unanimously recommends that Shareholders vote in favour of the Option Grant Resolution at the Meeting. **Unless otherwise directed, it is the intention of the persons designated in the accompanying form of proxy to vote in favour of the Option Grant Resolution.** In order to be effective, the Option Grant Resolution must be passed by not less than a majority of the votes cast by Shareholders who vote in respect of this ordinary resolution.

Item 7 — Other Business

The directors and officers of the Corporation are not aware of any matters, other than those indicated above, which may be submitted to the Meeting for action. However, if any other matters should properly be brought before the Meeting, the form of proxy confers discretionary authority to vote on such other matters according to the best judgment of the person holding the proxy at the Meeting.

The Corporation has implemented the Plan as an integral component of its compensation arrangement for Eligible Participants. A description of the Plan can be found under the heading "*Annual and Special Meeting Business – Item 5- Approval of the Option Plan*" in this Information Circular.

The purpose of the Option Plan is to provide an incentive to Eligible Participants to achieve the longer-term objectives of the Corporation; to give suitable recognition to the ability and industry of such persons who contribute materially to the success of the Corporation; and to attract and retain persons of experience and ability, by providing them with the opportunity to acquire an increased proprietary interest in the Corporation. The longer-term focus of the Option Plan complements and balances the short-term elements of the compensation program of the Corporation.

The Option Plan is administered by the Board of Directors and all decisions and interpretations of the Board of Directors respecting the Option Plan or Options granted thereunder shall be conclusive and binding on the Corporation and on the optionees. The Board of Directors may, at any time and from time to time, grant Options under the Option Plan on terms and conditions to be determined by the Board of Directors from time to time, subject to the conditions contained in the Option Plan and subject to the policies of the TSXV. Oversight and Description of Named Executive Officer Compensation

Compensation Objectives and Process

In assessing the compensation of its executive officers during 2022, the Corporation relied mainly on discussion between the Compensation Committee and the Board of Directors. The Compensation Committee reviews and recommends to the Board of Directors, among other things, policies in the following areas: corporate compensation and benefits policies, especially executive compensation, including the compensation of the CEO; terms and conditions of employee benefit plans, if any; employment agreements relating to the CEO and other executive officers of the Corporation; stock option grants to officers and employees of the Corporation; and directors' compensation. The Board of Directors is responsible for setting the overall compensation strategy of the Corporation and administering the Corporation's executive compensation program with input from the CEO and Compensation Committee in respect of all executive officers. As part of its mandate, the Board of Directors approves the remuneration of the Corporation's executive officers upon the recommendation of the Compensation Committee, including the Named Executive Officers of the Corporation. The Board of Directors is also responsible for reviewing the Corporation's compensation policies and guidelines generally.

The objective of the Corporation's executive compensation program is to motivate, reward and retain management talent needed to achieve the Corporation's business objectives. The compensation program is designed to ensure that compensation is competitive with other companies of similar size and is commensurate with the experience, performance and contribution of the individuals involved and the overall performance of the Corporation. In evaluating performance, the Board of Directors gives consideration to the Corporation's long-term interests and quantitative financial objectives, as well to the qualitative aspects of the individual's performance and achievements.

Compensation for directors of the Corporation, if any, is also determined by the Board of Directors upon the recommendation of the Compensation Committee.

Elements of Compensation

The Corporation's executive compensation program is comprised of three principal components: base salary, incentive bonus plan and awards granted pursuant to the Option Plan.

Executive officers are paid a base salary to compensate them for providing the leadership and specific skills needed to fulfill their responsibilities. The payment of base salaries is an important component of the Corporation's compensation program and serves to attract and retain qualified individuals. Base salaries for all employees of the Corporation are established for each position through comparative salary surveys of similar type and size corporations. In determining base salaries, the Board of Directors takes into account the knowledge of the industry and the financial resources of the Corporation.

Incentive bonuses, in the form of cash payments, are designed to add a variable component of compensation based on corporate and individual performance for executive officers and employees. Bonuses also serve as a retention incentive for executive officers so that they remain in the employ of the Corporation. In 2021, a number of significant milestones took place that were considered by the Compensation Committee when awarding bonuses and compensation including the sale of LLA 23, the listing on the AIM, the subsequent financing and company performance. The Compensation Committee and Board of Directors weighted the above events by evaluating the expected current and future value to shareholders when awarding Incentive bonuses.

Awards pursuant to the Option Plan are intended to enhance the Corporation's long-term performance by rewarding executive officers for maximizing shareholder value over time. In determining the awards to be granted to executive officers, the Board of Directors takes into account the individual's position, scope of responsibility, ability to affect profits and shareholder value and the value of the options in relation to other elements of the individual executive officer's total compensation.

For significant elements of compensation awarded to, earned by, paid or payable to each named executive officer, please see disclosure in "Part II – Statement of Executive Compensation".

Pension Disclosure

The Corporation does not have a pension plan or any other plan that provides for payments or benefits at, following or in connection with retirement and is not currently providing a pension to any directors of the Corporation or Named Executive Officers. The Corporation does not have a deferred compensation plan.

PART IV — CORPORATE GOVERNANCE DISCLOSURE

In 2005, the Canadian Securities Administrators created National Policy 58-201 - *Corporate Governance Guidelines* (the "**Policy**") and National Instrument 58-101 - *Disclosure of Corporate Governance Practices*, Form 58-101F1 and Form 58-101F2. The Policy addresses matters such as the constitution and independence of corporate boards, the functions to be performed by boards and their committees, and the effectiveness and education of board members. Below is the Corporation's corporate governance disclosure prescribed by Form 58-101F2 - *Corporate Governance Disclosure (Venture Issuers)* with respect to matters set out under the Policy.

Board of Directors

The Board of Directors is currently comprised of six directors, four of whom are independent within the meaning of "independent" as defined in Section 1.4 National Instrument 52-110 - *Audit Committees*. The following individuals are considered independent directors: Grant M. Carnie, Ian Langley, Ravi Sharma and Anthony Zaidi. Neither Gage Jull nor Marshall Abbott is considered to be independent because they are also executive officers of the Corporation.

In order to facilitate independent judgment, members of the Board of Directors recuse themselves from the discussion of and voting on any matters of the Corporation which may be perceived to place them in a conflict of interest.

Directorships

The following directors of the Corporation are also currently directors of other reporting issuers as set out below as of the date hereof:

Orientation and Continuing Education

Each new director is given an outline of the nature of the Corporation's business, its corporate strategy, and current issues within the Corporation. New directors are also required to meet with management of the Corporation to discuss and better understand the Corporation's business and are given the opportunity to meet with counsel to the Corporation to discuss their legal obligations as directors of the Corporation.

In addition, management of the Corporation takes steps to ensure that its directors and officers are continually updated as to the latest corporate and securities policies which may affect the directors, officers and committee members of the Corporation as a whole. The Corporation continually reviews the latest securities rules and policies and is on the mailing list of the TSXV to receive updates to any of those policies. Any such changes or new requirements are then brought to the attention of the Corporation's directors either by way of director or committee meetings or by direct communication from management to the directors.

Ethical Business Conduct

To encourage and promote a culture of ethical business conduct, the Board of Directors has established a Whistleblower Policy which details the complaint procedure for financial concerns, an Insider Trading Blackout Policy which details the Corporation's policies ensuring strict compliance by all Insiders with the prohibition against insider trading, a Compliance with Anti-Corruption Laws Policy which ensures fair business dealings by prohibiting payment of any kind to government officials in order to gain improper advantages, and a Code of Business Conduct and Ethics (the "**Policies**"). The full text of each of the Policies is available free of charge to any person upon request to the Corporation at 203, 2303 4 Street SW T2S 2S7, Calgary, Alberta (Telephone: 403-237-5700).

In addition to the Policies, as some of the directors of the Corporation also serve as directors and officers of other companies engaged in similar business activities, the Board of Directors must comply with the conflict of interest provisions of the ABCA, as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors which evoke any such conflict.

Nomination of Directors

The Board of Directors is responsible for identifying new candidates for board nomination after consideration of the interests, independence and experience of the individual directors and the independence and experience requirements of the TSXV and the rules and regulations of applicable law. The Board also has responsibility for assessing the performance of the Board of Directors as a whole, the committees of the Board of Directors and the individual directors. The size of the Board of Directors allows for consistent communication amongst the directors and management with respect to matters of effectiveness.

Compensation

The compensation for the directors, CEO and senior management is approved by the Board, after receiving a recommendation from the Compensation Committee. The Compensation Committee is comprised of at least one

independent director and is responsible for making recommendations regarding compensation for the CEO, senior management executive officers, and directors by reviewing compensation in light of the employee's role. The Compensation Committee reviews competitive market data as publicly disclosed by corporations of similar type and size for compensation of directors and officers of the Corporation and makes recommendations to the Board of Directors regarding the format and quantum of such compensation. As part of this process, external consultants may be engaged by the Compensation Committee from time to time to conduct a competitive review of and to make specific recommendations on compensation for directors and officers of the Corporation.

The Compensation Committee Charter was adopted and approved on October 2, 2018, re-approved on February 10, 2020, and is attached as Appendix B.

ARTICLE 2 PURPOSE AND PARTICIPATION

2.1 PURPOSE

The purpose of the Plan is to provide the Company with a Share related mechanism to attract, retain and motivate Eligible Participants, to reward such of those persons by the grant of options under the Plan by the Board from time to time for their contributions toward the long term goals of the Company and to enable and encourage such persons to acquire Shares as long term investments.

2.2 PARTICIPATION

Eligible Participants are eligible to participate in this Plan and to be granted Options hereunder. Except in relation to Consultant Companies, Options may be granted only to an individual or to a company that is wholly-owned by individuals entitled to receive Options hereunder. Any company which is granted Options, other than a Consultant Company, must agree, as a condition to such grant not to effect or permit any transfer of ownership or option of securities of it nor to issue further shares of any class to any other individual or entity as long as the Options remain outstanding, except with the prior written consent of the Exchange.

Each Option Holder, concurrently with the notice of the award of the Option, shall be provided with a copy of this Plan. A copy of any amendment to the Plan shall be promptly provided by the Administrator to each Option Holder.

2.5 LIMITATION ON RIGHTS

This Plan does not give any Option Holder who is a Director the right to serve or continue to serve as a Director, nor does it give any Option Holder who is an Employee or Consultant the right to be or to continue to be employed or engaged by the Company.

No Option granted under this Plan shall grant an Option Holder any rights as a Shareholder.

ARTICLE 3 TERMS AND CONDITIONS OF OPTIONS

3.1 BOARD TO ALLOT SHARES

The Shares to be issued to Option Holders upon the exercise of Options shall be allotted and authorized for issuance by the Board prior to the exercise thereof. The Board is authorized to set all other terms and conditions of the Options, subject to the terms of the Plan and the rules of the Exchange.

3.2 NUMBER OF SHARES

The maximum number of Shares issuable under the Plan at any time, plus the number of Shares reserved for issue under all other security based compensation plans, shall not exceed 10% of the number of Shares of the Company issued and outstanding as of each Award Date, inclusive of all Shares presently reserved for issuance pursuant to previously granted stock options, unless approved by the Exchange and requisite Shareholder approval, if any, is obtained in advance in accordance with section 6.5 hereof.

An Option Holder may exercise an Option that has vested in whole or in part at any time or from time to time during the Exercise Period provided that, with respect to the exercise of part of an Option, the Board may at any time and from time to time fix limits, vesting requirements or restrictions in respect of which an Option Holder may exercise part of any Option held by him. Any Option or part thereof not exercised within the Exercise Period shall terminate and become null, void and of no effect as of 5:00 p.m. (Calgary time) on the Expiry Date. The Expiry Date of an Option shall be the earlier of the date so fixed by the Board in accordance with section 3.3 above, and the date established, if applicable, in subsections (a) to (c) below.

In the event that the Option Holder should die while he or she is still (i) a Director, Officer or Employee, (other than an Employee performing Investor Relations Activities) the Expiry Date shall be 12 months from the date of death of the Option Holder; or (ii) a

Consultant, or an Employee performing Investor Relations Activities, the Expiry Date shall be one month from the date of death of the Option Holder.

(b) Ceasing to Hold Office

In the event that the Option Holder holds his or her Option as Director and such Option Holder ceases to be a Director of the Company other than by reason of death, the Expiry Date of the Option shall be the 90th day following the date the Option Holder ceases to be a Director of the Company unless the Option Holder continues to be engaged by the Company as an Employee or Consultant, in which case the Expiry Date shall remain unchanged. However, if the Option Holder ceases to be a Director of the Company as a result of:

- (i) ceasing to meet the qualifications set forth in section 105 of the *Business Corporations Act* (Alberta); or
- (ii) a special resolution having been passed by the members of the Company pursuant to sections 108 and 109 of the *Business Corporations Act* (Alberta),

then the Expiry Date shall be the date the Option Holder ceases to be a Director of the Company.

(c) Ceasing to be Employed

In the event that the Option Holder holds his or her Option as an Employee or Consultant of the Company (other than an Employee or Consultant performing Investor Relations Activities) and such Option Holder ceases to be an Employee or Consultant of the Company other than by reason of death, the Expiry Date of the Option shall be the 30th day following the date the Option Holder ceases to be an Employee or Consultant of the Company unless the Option Holder ceases to be such as a result of:

- (i) termination for cause; or
- (ii) an order of the Alberta Securities Commission, the Exchange, or any regulatory body having jurisdiction to so order,

in which case the Expiry Date shall be the date the Option Holder ceases to be an Employee or Consultant of the Company.

(d) Ceasing to Perform Investor Relations Activities

Notwithstanding the paragraph (c) immediately above, in the event that the Option Holder holds his or her Option as an Employee or Consultant of the Company who provides Investor Relations Activities on behalf of the Company, and such Option Holder ceases to be an Employee or Consultant of the Company other than by reason of death, the Expiry Date shall be the date the Option Holder ceases to be an Employee or Consultant of the Company.

3.7 **ADJUSTMENTS**

(a) For the purposes of this section, “**Change of Control**” shall include:

- (i) the acquisition by any persons acting jointly or in concert (as determined by the Securities Act (Alberta)), whether directly or indirectly, of common shares of the

Company that, together with all other common shares of the Company held by such persons, constitute in the aggregate more than 50% of all outstanding voting securities of the Company;

- (ii) an amalgamation, arrangement or other form of business combination of the Company with another corporation that results in the holders of voting securities of that other corporation holding, in the aggregate, more than 50% of all outstanding voting securities of the corporation resulting from the business combination;
 - (iii) the sale, lease or exchange of all or substantially all of the property of the Company to another person, other than in the ordinary course of business of the Company or to a related entity; or
 - (iv) any other transaction that is deemed to be a "Change of Control" for the purposes of this Plan by the Board in its sole discretion.
- (b) The number of Shares delivered to an Option Holder upon exercise of an Option must be adjusted in the following events and manner, subject to the right of the Board to make such additional or other adjustments as it considers appropriate in the circumstances:
- (i) upon a subdivision of the Shares into a greater number of Shares, a consolidation of the Shares into a lesser number of Shares or the issue of a stock dividend to holders of the Shares (other than dividends in the ordinary course), the number of Shares authorized to be issued under the Plan, the number of Shares receivable on the exercise of an option and the exercise price thereof will be increased or reduced proportionately and the Company will deliver upon the exercise of an option, in addition to or in lieu of the number of optioned shares in respect of which the right to purchase is being exercised and without the Option Holder making any additional payment, such greater or lesser number of Shares as results from the subdivision, consolidation or stock dividend; and
 - (ii) upon a capital reorganization, reclassification or change of the Shares, a consolidation, merger, amalgamation, arrangement or other form of corporate reorganization or combination of the Company with another corporation or a sale, lease or exchange of all or substantially all of the assets of the Company, the Company will deliver upon exercise of an Option, in lieu of the optioned Shares in respect of which the right to purchase is being exercised, the kind and amount of shares or other securities or assets as result from such event,

provided that any such adjustment, other than in connection with a security consolidation or security split, shall be subject to prior acceptance by the Exchange.

The purpose of such adjustments is to ensure that any Option Holder exercising an Option after any such event will be in the same position as such Option Holder would have been in if he or she had exercised the Option prior to such event. Such adjustment will take effect at the time of the event giving rise to the adjustment, and the adjustments provided for in this subsection are cumulative.

- (c) Notwithstanding any other provision herein, in the event of a proposed Change of Control, the Board may, as deemed necessary or equitable by the Board in its sole discretion, determine the manner in which all unexercised Options granted under the Plan will be treated including, for example, requiring the acceleration (conditionally or otherwise) of the time for the exercise of such Options by the Option Holder and of the

time for the fulfillment of any conditions or restrictions on such exercise, subject to the rights provided to Option Holders set forth in subsection 3.7 (d). All determinations of the Board under this Section will be binding for all purposes of the Plan. If the Board elects to accelerate (conditionally or otherwise) the vesting of any or all outstanding Options immediately prior to the completion of any such transaction, it may also determine that all such outstanding Options will be purchased by the Company or a related entity for an amount per option equal to the "Transaction Price" (as defined below), less the applicable Exercise Price (except that where the Exercise Price exceeds the Transaction Price, the amount per option for such options will be \$0.01), as of the date such transaction is determined to have occurred or as of such other date prior to the transaction closing date as the Board may determine. For purposes of this paragraph, "**Transaction Price**" means the fair market value of a Share based on the consideration payable in the applicable transaction as determined by the Board.

- (d) If an Offer is made which, if successful, would result in a Change of Control, then all unexercised and unvested outstanding options shall immediately vest and become exercisable by the Option Holders, notwithstanding any other vesting provisions in the Plan or in an option agreement, as to all or any of the Shares in respect of which such options have not previously been exercised, but such shares may only be purchased for tender pursuant to such Offer. If for any reason such Shares are not taken up and paid for by the offeror pursuant to the Offer, any such Shares so purchased by an Option Holder shall be deemed to be cancelled and returned to the treasury of the Company, shall be added back to the number of Shares remaining available under the Plan and, upon presentation to the Company of share certificates representing such shares properly endorsed for transfer back to the Company, the Company shall refund to the Option Holder all consideration paid for such shares and, in such event, the Option Holder shall thereafter continue to hold the same number of unexercised and unvested outstanding options on the same terms and conditions, including the exercise price thereof, as were applicable thereto immediately prior to time the subject Offer was made. For purposes of this subsection, "**Offer**" means an offer made generally to the holders of Shares in one or more jurisdictions to acquire, directly or indirectly, Shares and which is in the nature of a "takeover bid" as defined in the Securities Act, as amended, and where the Offer is not exempt from the formal bid requirements of the Securities Act.
- (e) The Company will not be required to issue fractional Shares or other securities under the Plan and any fractional interest in a Share or other security that would otherwise be delivered upon the exercise of an Option will be cancelled.
- (f) Except as expressly provided in this Section or as determined by the Board, neither the issue by the Company of shares of any class or securities convertible into or exchangeable for shares of any class, nor the conversion or exchange of such shares or securities, affects, and no adjustment by reason thereof is to be made with respect to, the number of Shares that may be acquired on the exercise of any outstanding Option or the exercise price of any outstanding Option.

3.8 EXERCISE PRICE

The Exercise Price shall be that price per Share, as determined by the Board in its sole discretion, and announced as of the Award Date, at which an Option Holder may purchase a Share upon the exercise of an Option, provided that it shall not be less than the closing price of the Company's Shares traded through the facilities of the Exchange (or, if the Shares are no longer listed for trading on the Exchange, then such other exchange or quotation system on which the Shares are listed or quoted for trading) on the day preceding the Award Date, less any discount permitted by the Exchange, or such other price as may be required or permitted by the Exchange.

3.9 ASSIGNMENT OF OPTIONS

Options may not be assigned or transferred, and all Option Certificates will be so legended, including with any applicable Exchange legend, provided however that the Personal Representatives of an Option Holder may, to the extent permitted by section 4.1, exercise the Option within the Exercise Period.

3.10 RIGHT TO TERMINATE OPTIONS ON SALE OF COMPANY

Notwithstanding any other provision of this Plan, if the Board at any time by resolution declares it advisable to do so in connection with any proposed sale or conveyance of all or substantially all of the property and assets of the Company or any proposed merger, consolidation, amalgamation or offer to acquire all of the outstanding Shares (collectively, the “**Proposed Transaction**”), the Company may give written notice to all Option Holders advising them that, within 30 days after the date of the notice and not thereafter, each Option Holder must advise the Board whether the Option Holder desires to exercise its Options prior to the closing of the Proposed Transaction, and that upon the failure of an Option Holder to provide such notice within the 30-day period, all rights of the Option Holder will terminate, provided that the Proposed Transaction is completed within 180 days after the date of the notice. If the Proposed Transaction is not completed within the 180-day period, no right under any Option will be exercised or affected by the notice, except that the Option may not be exercised between the date of expiration of the 30-day period and the day after the expiration of the 180-day period. If an Option Holder gives notice that the Option Holder desires to exercise its Options prior to the closing of the Proposed Transaction, then all Options which the Option Holder elected by notice to exercise will be exercised immediately prior to the effective date of the Proposed Transaction or such earlier time as may be required to complete the Proposed Transaction.

3.11 EXERCISE RESTRICTIONS

The Board may, at the time an Option is awarded or upon renegotiation of the same, attach restrictions relating to the exercise of the Option, including vesting provisions, provided that no Options may vest before the date that is one year following date it is granted, subject to earlier vesting in those circumstances set forth in this Option Plan. In the event of the death of an Option Holder, their Options may be exercised within the earlier of the expiry date and a period of time not exceeding 12 months, and only to the extent the Optionee was entitled to exercise the Options at the date of death.

Notwithstanding the above, Options issued to Investor Relations Service Providers must vest in stages over at least twelve months with not more than one quarter of the Options vesting in any three month period.

All such restrictions shall be recorded on the applicable Option Certificate.

3.12 REPRESENTATIONS

For Options granted to Employees, Consultants or Management Company Employees, the Company will represent that the Option Holder is a *bona fide* Employee, Consultant or Management Company Employee, as the case may be.

ARTICLE 4 EXERCISE OF OPTION

4.1 EXERCISE OF OPTION

- (a) An Option may be exercised only by the Option Holder or his Personal Representative. An Option Holder or his Personal Representative may exercise an Option in whole or in part, subject to any applicable exercise restrictions, at any time or from time to time during

the Exercise Period up to 5:00 p.m. (Vancouver time) on the Expiry Date by delivering to the Administrator an Exercise Notice, the applicable Option Certificate and a certified cheque or bank draft payable to the Company in an amount equal to the aggregate Exercise Price of the Shares to be purchased pursuant to the exercise of the Option.

- (b) Each Option Holder, other than Investor Relations Service Providers, shall have the alternative, when entitled to exercise an Option, to deal with such Option on a “net exercise” basis, (the “**Net Exercise Right**”) in the manner set out and in accordance with the terms of this Plan. Without limitation, the Board may determine in its discretion that such Net Exercise Right, if any, grant an Option Holder the right to surrender such Option in whole or in part by notice in writing to the Company and in lieu of receiving Shares pursuant to the exercise of the Option, receive, that number of Shares, disregarding fractions, which is equal to the quotient obtained by:
 - (i) subtracting the Exercise Price from the VWAP of the Shares on the business day immediately prior to the exercise of the Net Exercise Right and multiplying the remainder by the number of Shares to be purchased pursuant to the exercise of the Option; and
 - (ii) dividing the net amount obtained under subsection 4.1(b)(i) by the VWAP of the Shares on the business day immediately prior to the exercise of the Net Exercise Right,

provided that the Option Holder pays to the Company an amount equal to the tax obligations applicable to the Shares to be purchased pursuant to the exercise of the Option or otherwise makes arrangements satisfactory to the Company in accordance with Section 4.5.

- (c) Where an Option Holder chooses to use the Net Exercise Right, the Company shall make the election provided for in subsection 110(1.1) of the *Income Tax Act* (Canada) in circumstances where the Option Holder is otherwise eligible for the deduction provided for in paragraph 110(1)(d) of the *Income Tax Act* (Canada).

4.2 ISSUE OF SHARE CERTIFICATES

As soon as practicable following the receipt of the Exercise Notice, the Administrator shall cause to be delivered to the Option Holder a certificate for the Shares so purchased. If the number of Shares so purchased is less than the number of Shares subject to the Option Certificate surrendered, the Administrator shall forward a new Option Certificate to the Option Holder concurrently with delivery of the aforesaid share certificate for the balance of the Shares available under the Option.

4.3 CONDITION OF ISSUE

The issue of Shares by the Company pursuant to the exercise of an Option is subject to this Plan and compliance with the laws, rules and regulations of all regulatory bodies applicable to the issuance and distribution of such Shares and to the listing requirements of any stock exchange or exchanges on which the Shares may be listed. The Option Holder agrees to comply with all such laws, rules and regulations and agrees to furnish to the Company any information, report and/or undertakings required to comply with and to fully cooperate with the Company in complying with such laws, rules and regulations.

4.4 MONITORING OF TRADES

An Option Holder who performs Investor Relations Activities shall provide written notice to the Board of each of his trades of securities of the Company, within five business days of each trade.

4.5 WITHHOLDINGS

To the extent required under applicable law or regulation, the Company shall be entitled to take all reasonable and necessary steps, including the sale of any Shares issued upon the exercise of an Option (other than a redemption or purchase for cancellation), or obtain all reasonable or necessary indemnities, assurances or undertakings to satisfy any tax remittance obligations of the Company or any subsidiary to any taxing authorities arising in respect of the Option Holder's exercise of the Option granted or any other stock options heretofore granted by the Company to the Option Holder and the President of the Company be and is hereby appointed as the irrevocable attorney-in-fact for the Option Holder to take all such reasonable and necessary steps or Share sales. The Company does not accept responsibility for the price obtained on the sale of such Shares.

Option Holders (or their beneficiaries) shall be responsible for all taxes with respect to any Options under the Plan or any Option agreement, whether as a result of the grant or exercise of Options or otherwise. The Company makes no guarantee to any person regarding the tax treatment of Options or payments made under the Plan or any Option agreement and none of the Company, or any of its employees or representatives shall have any liability to the Option Holder with respect thereto.

ARTICLE 5 ADMINISTRATION

5.1 ADMINISTRATION

The Plan shall be administered by the Board, or an Administrator on the instructions of the Board or such committee of the Board formed in respect of matters relating to the Plan. The Board or such committee may make, amend and repeal at any time and from time to time such regulations not inconsistent with this Plan as it may deem necessary or advisable for the proper administration and operation of this Plan and such regulations shall form part of this Plan. The Board may delegate to the Administrator or any Director, Employee or officer of the Company such administrative duties and powers as it may see fit.

5.2 INTERPRETATION

The interpretation by the Board or its authorized committee of any of the provisions of this Plan and any determination by it pursuant thereto shall be final and conclusive and shall not be subject to any dispute by any Option Holder. No member of the Board or any person acting pursuant to authority delegated by the Board hereunder shall be liable for any action or determination in connection with this Plan made or taken in good faith and each member of the Board and each such person shall be entitled to indemnification with respect to any such action or determination in the manner provided for by the Company.
